Dear Valued Business Partner:

I am reaching out with some important news about Altra Industrial Motion Corp. **On March 7<sup>th</sup> we announced that Altra is creating a focused global leader in the power transmission and motion control industry by combining with four operating companies from Fortive's Automation and Specialty platform (Fortive A&S).** We believe this is a transformational step for Altra that will result in compelling growth and value creation opportunities for all of our stakeholders, including our vendors and suppliers.

As you may know, Fortive A&S is a leader in motion control solutions. You may already be familiar with their market leading brands, including Kollmorgen, Thomson, Portescap and Jacobs Vehicle Systems. Fortive A&S's engineered servo, direct drive and specialty miniature motor technology, along with precision linear automation products and braking technology solutions, are highly complementary to our leading power transmission line-up and strong mechanical and electrical capabilities. The inclusion of the Fortive A&S businesses with Altra's leading brands including, Warner Electric, Boston Gear, Stromag, Bauer Gear Motor, TB Wood's, Svendborg and many others, will prove to be a powerful combination.

Both companies prioritize deep customer and supplier engagement and the complementary nature of our technology platforms will enable us to provide a broader suite of solutions to a larger customer base across even more markets than we currently serve. **We look forward to bringing together the strengths of our businesses and capitalizing on the opportunities inherent in this combination to deliver enhanced value to all of our stakeholders.**

**Next Steps: Business as Usual**

Even though we are making this announcement today, it will be several months before the transaction is completed.

In the months ahead, Altra and the team at Fortive A&S will work together to ensure a seamless combination of our companies. As part of this process, we will also be working to obtain certain regulatory approvals, tax authority rulings and the approval of Altra shareholders. We expect to close the transaction by the end of the year.

Until that time, Altra and Fortive A&S will continue to operate as separate, independent businesses. **That means that it is business as usual at Altra.** We remain as focused as ever on maintaining our strong supplier relationships and will continue to work with you as we always have. **You should not expect any changes to our relationship or how you do business with Altra,** and your contacts at Altra will remain the same.

We will keep you informed as we move forward. Please don't hesitate to reach out to your normal Altra contact if you have any questions.

As always, we greatly value our partnership with you and your organization and look forward to building on our relationship as we move forward with this exciting combination.

Sincerely,

Carl Christenson  
Chairman and Chief Executive Officer
